

## 

## The company

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 20.0.33018

11.HOT.95823 HOHENSTEIN HTTI

Tested for harmful substances www.oeko-tex.com/standard100

## for the following articles:

Duvet, pillow and mattress cover made of woven fabric produced from 100 % cotton, 100 % polyester, 100 % polyester microfibre and polyester/cotton, white, dyed or printed; 100 % viscose (bamboo) and lyocell/polyester in white; "down and fibre proof" fabric made of 100 % cotton and 100 % lyocell as well as 100 % polypropylene nonwoven fabric, white and dyed; filling made of 100 % polyester fibre in white, thermo-bonded wadding made of 100 % polyester and cotton/polyester, undyed, including accessories (sewing thread, printed label, elastic tape, snap button, zipper and woven tape); partly finished with flame retardant and biological active products accepted by OEKO-TEX®; exclusively produced from material certified according to STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Annex 4, **product class I** have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Annex 4 for baby articles.

The certified articles fulfil requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA; with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 11.HOT.95823 is valid until 30.11.2021

Boennigheim, 23.11.2020
